**EXAMPLES  
OF WORK**

[www.climatejustice.org.uk](http://www.climatejustice.org.uk)

The Climate Justice Project – a website for a student-led campaign for Contraction & Convergence, an alternative to the Kyoto Protocol. I was involved with XHTML, CSS and Javascript programming; and Backend integration.

[www.luckbox.tv](http://www.luckbox.tv)

An online television catering for the Poker community, this website provides streaming Flash video programmes to a global audience. I built the website to W3C standards and utilised Javascript, AJAX and PHP to deliver a smooth interface to the user.

[www.thepopfactorymusicawards.com](http://www.thepopfactorymusicawards.com)

The Pop Factory Music Awards is one of Wales' largest awards events, with many of the UK's most popular artists and bands attending. I was involved with CSS and PHP programming.
